

PACKAGED PRODUCTS

Packaged Products

We have created this assortment to provide you with the finest selection of attractively packaged products. It was designed to maximize sales, minimize inventory and provide high inventory turns.

Our grouped concept of eye-catching, self-selling products invites customers to select what they need, offers that extra point of purchase sale and minimizes the sales person's selling time.

	Hub Kits	N-2 thru N-3	
	Bearing Kits	N-3	
	Seal, Grease Cap Kits	N-4	
	Hub Studs & Lug Nuts	N-4	
	Electric Brakes	N-5	
	Suspension & Towing Accessories	N-5	

PACKAGE PRODUCTS

The Rockwell American line of Packaged Products has been designed to help customers identify and find the correct products they need. We stock the most common repair parts in transparent clam shell containers or boxes with printed labels showing the contents and part numbers.

For many items that may have more than one option, like Possi Lube or standard axles, we include all parts needed for either option.

AXLE HUB KITS

Packaged Hub Kits contain:

- Hub with Races and Studs
- Lug Nuts
- Bearings
- Grease Seal
- Dust Cap
- Spindle Castle Nut
- Spindle Washer
